CANDIDATE'S STATEMENT OF QUALIFICATIONS

CITY OF: Laguna Beach

OFFICE SOUGHT: City Council

NAME: __Judie Mancuso__ AGE: 55
Optional

OCCUPATION: Nonprofit CEO

Laguna Beach has been my home for 23 years. As a homeowner, I will fight to protect the city we love.

The challenges before us have never been greater. I will take thoughtful, but tough action on the issues that impact all of us: homelessness, parking, traffic and unmanaged tourist growth, public safety, ocean and wildlife protection.

These issues impact our property values and our quality of life.

I have over 10 years of successful advocacy and public policy work at the regional and statewide level. I advocate for consumer rights, taxpayers, our ocean and marine life, heritage trees, wildlife protection, companion animals, and endangered species. I also have business experience. I worked over 20 years as a manager in information technology, automating and helping run small to multibillion-dollar corporations.

I have the patience, know-how, leadership and consensus building skills to get big things done.

I have been recognized by state and local officials for my public policy achievements. I am committed to using those skills to help Laguna Beach prosper.

It is time for new leadership at City Hall, and with your vote I would be honored to serve as your Councilmember. Thank you.
