CANDIDATE'S STATEMENT OF QUALIFICATIONS

CITY OF: Laguna Beach

OFFICE SOUGHT: City Council

NAME: Sue Kempf AGE: _____
Optional

OCCUPATION: Retired Company President

I respect our history and community character; however, I believe it is time for innovative leadership. I am committed to moving Laguna forward.

With your vote, I will: Support the creation of a revitalized commercial and residential downtown neighborhood, introduce an improved parking and mobility plan, support voluntary and incentive-based historic preservation, safeguard and prioritize public safety, develop plans to manage and maintain our open space, employ regional solutions to the homeless crisis and be a stalwart steward of our City's funds.

As a member of the Laguna Beach City Council, I will offer in-depth city governance and business experience. As a third-term Planning Commissioner, three year Co-Chair of the Disaster Preparedness Committee and member of the View Preservation Taskforce, I know how to get things done.

Laguna Beach is experiencing challenges that require creative and sophisticated ideas. As a former company president, executive and engineering manager, I have the leadership skills, knowledge and experience to work with my colleagues to resolve complex problems with solutions that are right for Laguna.

I would be honored to have your vote. www.votesue.org
