*The mistakes on the 1July22-24Sept22 460 submitted by this deep-pocketed PAC with professional consulting assistance are numerous. First, this rubbish 460 was 5 days late.*

***Most critically, the PAC claims to have collected \$157,688 during the period. Yet, their Schedule A disclosures only amount to \$64,189. Even adding in the \$549 in un-itemized (ie <\$100) donations, they have failed to account for \$92,950 in reportable donations, or 58.9%***

***{I wish to amend this complaint. I re-checked my analysis and discovered I made a spreadsheet error, so CFLF did indeed account for their bottom-line \$157,688 amount in the Schedule A. So the above complaint is retracted}.***
